The MOBERLY HOUSING AUTHORITY is a medium sized public housing authority located in Randolph County, Missouri. The Authority operates 248 units of public housing and 46 units of Section 8 USDA New Construction. These units are located at four sites. The Authority for the last eight years has been designated as a high performer according to standards set forth by the Public Housing Assessment System (PHAS).

The mission of the Housing Authority of the City of Moberly, Missouri is the promotion of adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The Authority will accomplish the mission ideals through the goals and objectives listed here.

1. By proving decent, safe, and affordable housing in our community.
2. By ensuring equal opportunity housing for everyone.
3. By improving quality of life in the community and economic vitality.
4. By increasing resident participation through an advisory committee.
5. By providing timely responses to resident requests for maintenance issues.
6. By renovating vacated apartments within 20 days and providing a housing need for the next available applicant.
7. By continuing to enforce the "One Strike" policy for our residents and the applicants.
8. By improving and/or maintaining our financial stability through aggressive rent collection methods and reserve position.

The Moberly Housing Authority has financial resources, which include but are not limited to an operating fund, capital fund, dwelling rental income and non-dwelling rental income and Section 8 subsidy. We propose to operate the agency in the most cost effective means possible and still provide what services and as many activities as possible for the residents.

The Authority in correlation with the Missouri's Consolidated Plan has assessed the housing needs of the City of Moberly, Missouri and determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a medium sized housing agency. The Authority has an approved Deconcentration Plan and Policy and will utilize various methods to attract and encourage applicants that will qualify for public housing.

The Moberly Housing Authority has updated the Admissions and Continued Occupancy Plan (ACOP), the Dwelling Lease and Grievance Procedure policy to comply with all requirements of the Quality Housing and Work Responsibility Act of 1998 (QHWRA). The Authority has established a minimum rent of \$50.00 for public housing program. The Authority has elected to set the public housing ceiling and flat rent at Allendale Manor and Countryview Garden Apartments, Project MO-011-001 at \$325.00. The Authority elected to set the public housing ceiling and flat rent at the Moberly Towers, Project MO-011-002 at \$445.00.

The Moberly Housing Authority has conducted a physical needs assessment to determine all modernization and capital expenditures requirements and has developed an Annual and 5-year Action Plan to address these capital improvements.

The Authority has a plan to demolish one one-bedroom duplex and rebuild but with a two-bedroom duplex. The Authority has worked jointly with local police department to develop safety and crime prevention strategies that adequately meets the needs of all residents.

The Housing Authority of the City of Moberly, Missouri has developed Pet Policies appropriate for each housing project. These policies allow the residents to have a pet if the rules and policy requirements are met.

The Moberly Housing Authority has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the Authority has included a copy of its most recent fiscal year end audit reports as part of the documentation made available for public review during the 45 days prior to submission of the Housing Authority of the City of Moberly, Missouri's Agency Plan on January 15, 2008.

B. Reserved for Conversions pursuant to Section 22 of the U.S. Housing Act of 1937

The Moberly Housing Authority Commissioners believe that the City of Moberly and Randolph County have ample allocation of Section 8 Housing Choice Vouchers.

3. Conversion would not adversely affect the availability of affordable housing in the community:
It appears that more Section 8 housing is not needed in the City of Moberly or Randolph County.

DE-CONCENTRATION POLICY

The Housing Authority of the City of Moberly, Missouri in accordance with the Housing Quality and Work Responsibility Act of 1998 shall make every effort possible to provide for de-concentration of poverty and income mixing in its development by trying to bring in higher income residents into lower income developments and lower income residents into higher income developments.

To this extent, the Moberly Housing Authority will try to insure not less than 40% of all new admissions shall be families whose income at the time of admission does not exceed 30% the area's median income.

The Moberly Housing Authority does not intend to utilize and/or impose any specific income or racial quotas nor will the Authority offer incentives for eligible families to occupy units in developments predominately occupied by families having either lower or higher income.

RESIDENT MEMBERSHIP ON THE PHA GOVERNING BOARD

After requesting several nominees from the Residents, the residents elected Shirley Christ as the Resident Commissioner to serve the remaining four-year term of the retiring Resident Commissioner upon the appointment by the Mayor and approved by the City Council. Her commission will expire on October 2008.

MEMBERSHIP OF THE RESIDENT ADVISORY BOARD

The membership is open to all residents who are willing to participate. The current members are Shirley Christ, Denora Holzinger, Judy McMillian, Viola Ryan, Barbara Rasch, Rita Mathis, Mary Smith, Ardell Myers, Judy Brown, Mildred Nelson and Elizabeth Reynolds.

Community Service Description of Implementation

The Moberly Housing Authority informs each applicant of the community service component of public housing. when it has been determined that a household member must comply with community service,

they are issued a community service packet which contains their introduction letter of why they must comply with the requirement and how it will benefit them as a person. The packet also contains places that are willing to allow community service hours to be performed and monthly service sheets. A master file is kept of each resident required to do community service and each resident who must do community service has a file where their documentation is kept. They are instructed to turn in their documentation within 10 days following the month they are required to do the hours. When a resident is no longer required to do these hours, documentation is placed in their file and recorded on the master log. This is a very time consuming and expensive requirement that has little positive effect on the resident or the authority but one that the Authority enforces just like the rest of the laws.

Information on Pet Policy

The Moberly Housing Authority has two separate pet policies for the elderly site and the family site. Each of these policies reflect the rules and regulations governing each type of development and more specifically if it applies to elderly, disabled or handicapped residents and their special designation. The policies are made available to the public as all policies are and policies are given to anyone who requests one, applicants or resident household members who contact us regarding the possibility of getting a pet or those residents who we find have a pet illegally.

VAWA

The Moberly Housing Authority recognized that on January 5, 2006, President Bush signed VAWA into law as Public Law 109-162. Section 6-3 of the law amends Section 5A of the U. S. Housing Act (42 U.S.C. 1437c-1) to require PHAs to support or assist victims of domestic violence, dating violence, sexual assault or stalking.

MHA works along with several agencies but mostly with SAFE PASSAGE, a domestic abuse shelter, on any activities, services, or programs provided or offered by their agency directly or in partnership with this service provider, to help child or adult victims of domestic violence, dating violence, sexual assault, or stalking. MHA supports, encourages and directly provides when possible any activities, services, or programs that helps child or adult victims of domestic violence, dating violence sexual assault, or stalking to obtain or maintain housing. MHA supports and does activities, services, or programs when possible to prevent of domestic violence, dating violence sexual assault, and stalking, or to enhance victim safety in assisted families. MHA procedures are in place that assures that tenants are notified of their rights under VAWA.

Staff have been trained in the VAWA law and the Executive Director is part of a resource group for victims whether child or adult of domestic violence, dating violence sexual assault, or stalking. The Authority worked with victims of this whether they were applicants or residents before this was signed into law so there was no noticeable change in the way our Authority operated.

PROGRESS IN MEETING OUR MISSION AND GOALS

Mission and Goal Statement

The Moberly Housing Authority is meeting its mission by continuing to promote and provide adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. We are doing this by updating our properties through the capital fund and by maintaining those properties through the operating budget as outlined in our five-year and annual plans. We are giving the residents their choice of a flat rent or a 30% option. This allows the housing choice and is affordable. We continue to work and partner with other agencies to bring economic opportunities to the residents and have provided Internet access to the residents for job searching and computer programs to build work-related skills and to write resumes. The Housing Authority of the City of Moberly, Missouri continues to provide suitable living environments free from discrimination. There have been no fair housing complaints on the state or federal level to our knowledge. We subscribe to a fair housing newsletter each month and then have staff meeting in order to disperse that information out to the employees. Staff attends as many fair-housing workshops as possible and aware of.

The goals of the Housing Authority of the City of Moberly, Missouri are as follows along with statements to show those goals are being met or the reason why the goal was not obtained:

1. Reduce vacancies in public housing – This goal is being met.
2. Improve PHAS scores – Based on last year's score, the Housing Authority was a High Performer.
3. Renovate or modernize public housing units – The Authority has followed its five-year and annual plans in regard to physical improvements through the capital funding program. We are currently installing laminate wood flooring at Project MO011-001 in the living/dinning rooms and bedrooms.
4. Implement public housing security improvements – We continue to make use of funding for the community policing program, continue to use the One-Strike policy, our local trespass policy, security cameras, CPTED (Crime Prevention Through Environmental Design) with the help of our local law enforcement, and utilize screening tools, especially the criminal history screen.
5. Provide or attract supportive services to improve assistance recipients' employability – As in the past, we work with the WIN Center, a cooperative partnering of the local college, Job Service, Division of Family Services, Vocational Rehab, GAMM, and other agencies that provide workshops, direct help to residents and referrals.
6. Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status and disability – The Authority subscribes to a fair-housing newsletter that is delivered monthly and staff meetings are held monthly to convey information, and staff attends almost every fair-housing meeting that we know of.

DEFINITION OF SUBSTANTIAL DEVIATION AND SIGNIFICANT AMENDMENT OR MODIFICATION

A. Substantial Deviation from the 5-year plan:

Substantial deviations are defined as discretionary changes in plans or policies of the Moberly Housing Authority that fundamentally change the missions, goals, objectives or plans of the Authority and which require formal approval of the Board of Commissioners.

B. Significant Amendment or Modification to the Annual Plan:

Significant amendment or modification to the annual plan is defined as discretionary changes in plans or policies of the Moberly Housing Authority that fundamentally change the missions, goals, objectives or plans of the Authority and which require formal approval of the Board of Commissioners.
